

## ANNOUNCEMENT

### *News for legal entities from UAPF*

The Unified Accumulative Pension Fund continues to conduct active explanatory work among the population, informing contributors on a whole range of issues related to the pension system.

So, on September 29, 2022, the UAPF held another Open Doors Day in an online format on the topic “Agreement on the provision of pensions for workers in the EAEU member countries. Development of the Fund's electronic services for employers - agents for the payment of compulsory pension contributions”.

Target audience: representatives of legal entities, including small and medium-sized businesses.

Purpose of the event:

- familiarization with the pension system of the Republic of Kazakhstan;
- carrying out information and explanatory work and raising the awareness of the population of the Republic of Kazakhstan about pension provision in the EAEU member countries;
- familiarization of participants with additional functions and capabilities of the Legal Entity Account service.

During the event, the organizers spoke in detail about how the pension rights of labor migrants operating in the EAEU countries are implemented, about what both the workers themselves and their employers need to know and do. The participants also learned about what new features appeared on the site in the Legal Entity Account section and why it is important for individual entrepreneurs.

In addition, senior officials of the regional divisions answered questions and provided individual consultations to the participants of the event.

The online meeting was of great interest among employers, both in terms of medium and small businesses, and among contributors and beneficiaries.

*The UAPF was established on August 22, 2013 on the basis of GNPF APF JSC. The UAPF founder and shareholder is the Government of the Republic of Kazakhstan represented by the State Institution “Committee of State Property and Privatization” of the Ministry of Finance of the Republic of Kazakhstan. UAPF pension assets are managed by the National Bank of the Republic of Kazakhstan. From January 1, 2016, the functions for developing proposals to improve the management of pension assets were transferred to the National Fund Management Council. In accordance with the pension legislation, the UAPF attracts compulsory pension contributions, compulsory occupational pension contributions, voluntary pension contributions, pension benefits, individual accounting of pension accumulations and benefits, provides the contributor (beneficiary) with information on the status of his pension accumulations (for more information visit [www.enpf.kz](http://www.enpf.kz))*
