
PRESS RELEASE

«28» March 2016

As of March 1, 2016, total pension savings make KZT 5.98 tln.

Net investment income of KZT 101.02 bn has been obtained since the beginning of 2016. Annual return on UAPF depositors' pension assets (February 2015 – February 2016) has made 16.7% with inflation rate for the same period of 15.2%. Moreover, since the turn of the year pension payments and transfers to the amount of KZT 46.81 bn have been paid by the Fund, the amount includes transfers to insurance companies of KZT 2.61 bn.

Any depositor / recipient can get information on status pension savings on their IPs to any date in any of the 236 UAPF personal service centers, or on the Fund website: www.enpf.kz (E-statement section). Depositors / recipients have the opportunity to monitor their IPAs via UAPF mobile application for smartphones and tablets running on operating Android, iOS (iPhone, iPad) and Windows Phone systems. To use this service you need login and password, which you can obtain in person in the Fund office. As of March 1, 2016 150 700 mobile app downloads were produced.

For a year, since February 2015, depositors / recipients may get information on their pension savings in full via e-gov portal. As of March 1, 2016 since the launch of the service on the E-government portal a total of 232 000 statements of depositors' / recipients' IPAs (individual pension accounts) has been issued.

Currently, the Fund is working on the introduction of additional e-services for depositors and recipients: on-line optimization of the process of opening individual pension accounts that allow keeping record of compulsory pension contributions using EDS (electronic digital signature), opportunity to make changes in additional bank details, and filing applications for receipt of pension payments.

UAPF was established in August 22, 2013 on the basis of APF SAPF JSC. The Government of the Republic of Kazakhstan represented by Committee for State Property and Privatization of the Ministry of Finance is the founder and shareholder of the Unified Accumulative Pension Fund (UAPF). The National Bank of Kazakhstan provides trust management of UAPF pension assets. Since January 1, 2016, responsibility for developing proposals to increase the pension assets management efficiency had been transferred to the Council for National Fund Management headed by the President of the Republic of Kazakhstan.

In accordance with pension legislation UAPF carries out attraction compulsory pension contributions, compulsory professional pension contributions, voluntary pension contributions, pension payments, individual records of pension savings and payments, provides a depositor / recipient with information on the status of its pension savings (more details on www.enpf.kz).
