

ANNOUNCEMENT

Young Kazakhstanis used USD 19.04 million within the framework of the National Fund for Children program

Since February 1, 2024 (as of September 1, 2025), **139,774 applications** worth **19.04 million US dollars** have been executed (transferred to authorized operators for crediting to applicants' bank accounts). Of these, 87,841 applications worth **12.25 million US dollars** were executed for the purpose of **improving housing conditions**, and **51,933 applications** worth **6.79 million US dollars** were executed for paying for education. Let us remind you that the recipient of target savings (TS) has the right to use the entire amount or part of it, the remainder of the unused amount remains in the target savings account (TSA).

The most popular sub-goals for using funds to **improve housing conditions** were: replenishment of a contribution to housing construction savings for further accumulation (85,735 applications completed for a total of 11.98 million US dollars), making a down payment to obtain a mortgage loan for the purchase of housing - 700 applications for a total of 92.13 thousand US dollars, acquisition of housing in ownership through civil law transactions (final settlement) - 514 applications for a total of 62.27 thousand US dollars.

The most popular sub-goals in the context of **paying for education** were: payment for educational services of educational organizations located in the territory of the Republic of Kazakhstan, in installments (for each academic period or academic year) or in full at one time (for the entire period of study) (45,901 applications for an amount of about 6.08 million US dollars were completed), replenishment of an educational savings deposit under an agreement on an educational savings deposit (4,309 applications for an amount of more than 499.07 thousand US dollars were completed), payment for educational services of foreign educational organizations in installments (for each academic period or academic year) or in full at one time (for the entire period of study) (1,411 applications for an amount of more than 174.03 thousand US dollars were completed).

[Detailed information on](#) payments of target savings for the purpose of improving housing conditions and (or) paying for education in the context of authorized operators and regions can be found on the website enpf.kz.

Let us recall that according to the National Fund for Children program, 50% of the investment income of the National Fund of the Republic of Kazakhstan is distributed once a year among children who are citizens of the Republic of Kazakhstan, who were born in 2006 and later. For 2023, all recipients of the TS were credited with **100.52 US dollars**, for 2024 - **129.38 US dollars**. Children who received the first funds from the National Fund in 2023, with the exception of persons born in 2006, were credited with **investment income**

in the amount of 3.04 US dollars this year. As a result, the target savings of a child born in 2006 amount to **100.52 US dollars**, and those born in 2007 - **232.94 US dollars**.

Adult citizens must independently obtain information about their TS through their personal account on the UAPF or e-government Internet resources, and then contact an authorized operator to open a bank account in US dollars and submit an online application for TS payment to improve housing conditions and (or) pay for education.
