

ANNOUNCEMENT***New Opportunities for Managing Pension Savings
UAPF Invites You to an Open Day***

Every Kazakhstani's pension savings are a financial resource that can be effectively managed. UAPF contributors have the opportunity to influence the return on their savings independently by transferring them to investment portfolio managers (IPMs), who invest pension funds in stocks, bonds, currencies, and other financial instruments specified in the investment declaration to generate income.

UAPF places great emphasis on improving the financial and legal literacy of the population of Kazakhstan. Since the beginning of 2026, the Fund has held approximately 30,000 informational meetings, reaching 600,000 people, and processed over 220,000 inquiries.

UAPF JSC invites everyone to participate in the next Open Day on the topic: Participation of Contributors in Managing Their Pension Assets and the invest.enpf.kz Portal for Independent Access to Information on Investment Portfolio Managers. The event will be held offline.
