

ANNOUNCEMENT

More than 16.5 million services have been provided to UAPF since the beginning of 2025

The Unified Accumulative Pension Fund continues to actively provide a wide range of services aimed at supporting and informing its clients. In the period from 01.01.2025 to 31.03.2025, about 16.5 million services were provided to the population. Of the total number of services provided since the beginning of the year, more than 7.0 million were provided electronically, and more than 9.0 million automatically. Thus, the share of services provided in automatic, electronic and remote formats amounted to 98.4% of the total. About 262.7 thousand services were provided in person, including more than 255.0 thousand directly in the Fund's offices.

We remind you that all pension savings accounts are opened in UAPF automatically upon receipt of the first contribution. Target requirements and target savings are also automatically accrued to participants in the *National Fund for Children* program.

In total, during the reporting period, the total number of individual pension savings accounts (IPSA) opened automatically for all types of pension contributions, including notional pension accounts (NPSA, opened as a result of the transfer of ECPC by the employer) and target savings accounts (TSA, within the framework of the National Fund for Children program) amounted to 627.6 thousand.

The most popular service is still obtaining statements from individual pension accounts, notional pension accounts (NPSA), as well as target savings accounts (TSA). Since the beginning of the year, about 7.7 million statements have been issued from IPSA, NPSA, TSA, of which more than 6.4 million were in electronic form and more than 1.1 million automatically. UAPF reminds that obtaining information about the status of accounts through your personal account is the most convenient, reliable and prompt way to control your pension savings. The service operates online around the clock (24/7), which allows you to receive up-to-date information at any time and from anywhere in the world. Also, information about the status of accounts is available not only through your personal account on the UAPF website, but also through the egov.kz portal or the e-government mobile application. This provides additional convenience for users who prefer to interact with government services through a single platform.

In addition to receiving a statement in their personal account on the website and in the mobile application, contributors (beneficiaries) have the opportunity to use such services as making changes and additions to their details, receiving a certificate of the availability of accounts, filing an application for the appointment of pension benefits in connection with the establishment of disability of group 1 or 2 indefinitely or for voluntary pension contributions, tracking the status of an application for pension benefit, transferring part of the savings to the investment portfolio manager (IPM), predicting the future pension using a pension calculator, etc. 24/7 anywhere in the world.

More than 38.4 thousand applications were received to change the details for January-February 2025, of which more than 35.5 thousand were submitted to the Fund's offices.

When applying for a particular service to UAPF specialists, contributors, as a rule, receive additional consultations and advice on how to form savings. As part of the information and explanatory work, more than 10.2 thousand on-site presentations were held, attended by about 212.0 thousand people. More than 11.2 thousand materials on UAPF messages were posted in the media.

The number of requests received from contributors and beneficiaries through feedback channels amounted to about 165.8 thousand.

We remind you that any company can apply for a presentation and consultations on the funded pension system with a visit to the office, for which you just need to call the call center at 1418 or contact through the Fund's website or mobile application.

UAPF consulting services can be obtained via instant messengers (chat bot in WhatsApp and Viber at +7 777 000 14 18), call center at 1418 (free call within Kazakhstan), on the corporate website enpf.kz, as well as on the official UAPF pages on social networks Instagram, Facebook, VKontakte, X (Twitter), Telegram, Odnoklassniki.
