

## ANNOUNCEMENT

## How to apply for VPC benefits online?

On the corporate website of the Unified Accumulative Pension Fund, the range of types of applications for the appointment of pension benefits that can be submitted remotely has been expanded. This service can now be used by the following categories of beneficiaries of pension benefits who have pension savings in the UAPF through voluntary pension contributions:

- persons who have reached the age of 50;

- persons with disabilities.

Before submitting an application, you must make sure that you have a valid electronic digital signature (EDS), an identity document, a bank account opened in the national currency of the Republic of Kazakhstan.

In order to submit an application, you need to log in to your personal account using an EDS on the UAPF website (www.enpf.kz), in the "Services" section, select the service "Submitting an application for the appointment of pension benefits", then fill out and sign the relevant EDS documents.

You can easily track the status of the UAPF application processing using the service "My applications for benefits / transfers" in the "Services" section of your personal account also on the corporate website of the UAPF.

We remind you that from May 1 of this year, individual pension saving accounts for accounting for voluntary pension contributions are opened without an application on the basis of the first voluntary pension contribution received by the UAPF.

UAPF was established on August 22, 2013 on the basis of GNPF APF JSC. The UAPF founder and shareholder is the Government of the Republic of Kazakhstan represented by the State Institution "Committee of State Property and Privatization" of the Ministry of Finance of the Republic of Kazakhstan. UAPF pension assets are managed by the National Bank of the Republic of Kazakhstan. From January 1, 2016, the functions for developing proposals to improve the management of pension assets were transferred to the National Fund Management Council. In accordance with the pension legislation, the UAPF attracts compulsory pension contributions, compulsory occupational pension contributions, voluntary pension contributions, pension benefits, individual accounting of pension accumulations and benefits, provides the contributor (beneficiary) with information on the status of his pension accumulations (for more information visit www.enpf.kz)
