Year to date the Fund effected pension payments and transfers to the amount of KZT 85.53 bn, the amount also comprises transfers to insurance companies of KZT 9.06 bn.

As of June 1, 2016 total contracts under all types of pension contributions has surpassed 10.13 mn contracts, of which the number of depositors/recipients who signed pension provision contracts on the account of compulsory pension contributions is about 9.7 mn. Number of contracts on compulsory professional pension contributions has made 400 903 contracts. Number of individual pension accounts (IPAs) on the account of voluntary pension contributions was 38 871 accounts.

A depositor / recipient can get information on status pension savings on their IPSs to any date in any of the 236 branches. Moreover, you may obtain information about your pension savings by e-mail or on the website www.enpf.kz.

More than 2 mln. persons chose remote ways of getting information which are effective ways of gaining information about pension savings on IPAs. Fund depositors/ recipients who selected online notification and signed in their username and password have the opportunity to monitor their IPAs via UAPF mobile application for smartphones and tablets running on Android, iOS (iPhone, iPad) and Windows Phone operating systems.

As of June 1, 2016 a total of 193 000 mobile app downloads has been made. Since February 2015 depositors / recipients having EDS (electronic digital signature) may get information on their pension savings in full via e-gov portal.

As of June 1, 2016 since the launch of the service on the E-government portal a total of 300 000 statements of depositors' / recipients' IPAs (individual pension accounts) has been issued.

Besides, year to date, 60 414 appeals from depositors / recipients obtained through various channels has been processed. Currently, the Fund is working on the introduction of additional e-services for depositors / recipients, in particular:

- the process of opening individual pension accounts that allow keeping record of compulsory pension contributions on-line using depositor's / recipient's EDS (electronic digital signature) will be optimized;
- the opportunity to make changes in additional bank details will appear;
- filing an application for receipt of pension payments will become available.

The Fund plans to introduce above mentioned services by the end of 2016.

UAPF was established in August 22, 2013 on the basis of APF SAPF JSC. The Government of the Republic of Kazakhstan represented by Committee for State Property and Privatization of the Ministry of Finance is the founder and shareholder of the Unified Accumulative Pension Fund (UAPF). The National Bank of Kazakhstan provides trust management of UAPF pension assets. Since January 1, 2016,

responsibility for developing proposals to increase the pension assets management efficiency had been transferred to the Council for National Fund Management headed by the President of the Republic of Kazakhstan.

In accordance with pension legislation UAPF carries out attraction compulsory pension contributions, compulsory professional pension contributions, voluntary pension contributions, pension payments, individual records of pension savings and payments, provides a depositor / recipient with information on the status of its pension savings (more details on www.enpf.kz).
