On the payment of pension savings from the UAPF to persons with disabilities

ANNOUNCEMENT

The UAPF informs its contributors (recipients) that individuals who have pension savings in the UAPF, formed from:

mandatory pension contributions and/or mandatory professional pension contributions, and have a first or second group disability status established indefinitely, or

voluntary pension contributions, and have a disability status regardless of group and duration of disability,

have the right to receive pension payments according to the established schedule until the general retirement age is reached.

The depositor (recipient) does not need to provide documents confirming their status, as the UAPF, with the consent of the depositor (recipient) provided in accordance with the Law of the Republic of Kazakhstan "On Personal Data and their Protection," independently verifies the presence of disability (group, term of validity) through a web service by requesting information from the Centralized Database of Persons with Disabilities of the Ministry of Labor and Social Protection of the Population of the Republic of Kazakhstan (MLSPP) through the "Government for Citizens" State Corporation (State Corporation), under an agreement concluded between the MLSPP, the State Corporation, and the UAPF.

You can submit an application for pension savings payouts by contacting the UAPF in person through the website enpf.kz, at an office, or through an authorized representative, as well as by mail.

You can view a detailed instruction for submitting an application through the website enpf.kz here. Please note that the UAPF also provides outreach services for individuals with first or second group disability status established indefinitely. In this case, a preliminary consultation is conducted, including verification of the possibility of receiving services remotely, without a personal visit.

UAPF was established on August 22, 2013 on the basis of JSC NPF GNPF. The founder and shareholder of the UAPF is the Government of the Republic of Kazakhstan, represented by the State Property and Privatization Committee of the Ministry of Finance of the Republic of Kazakhstan. The National Bank of the Republic of Kazakhstan is responsible for the trust management of pension assets of UAPF. As of January 1, 2016, the functions related to developing proposals to improve the efficiency of pension asset management were transferred to the Management Council of the National Fund. In accordance with the pension legislation, the UAPF is responsible for collecting mandatory pension contributions, mandatory professional pension contributions, voluntary pension contributions, pension payments, individual accounting of pension savings and payments, and providing contributors (recipients) with information about the state of their pension savings (for more details, please visit www.enpf.kz)
