

ANNOUNCEMENT

Attention! Fraudsters have become more active and fake mailings have appeared in messengers!

A new scam has emerged. UAPF contributors report that they are approached by intermediaries who, posing as employees of the Fund, offer to help receive pension savings for housing or medical treatment for a fee. About 30 contributors of the Fund have already become victims of these illegal actions.

In addition, false information is being disseminated on social networks and instant messengers about the acquisition of real estate at the expense of pension savings through consumer cooperatives or other companies.

We remind you that the possibility of using part of pension savings that exceeds the minimum sufficiency threshold for housing and medical treatment is realized exclusively **in electronic format through authorized operators** approved by the Decree of the Government of the Republic of Kazakhstan.

To date, the authorized operators accepting applications for the use of a part of pension savings for improving housing conditions are Otbasny Bank Housing Construction Savings Bank JSC, Halyk Bank of Kazakhstan JSC, Altyn Bank JSC, Bank CenterCredit JSC and "Bank Freedom Finance Kazakhstan", and for the use of pension savings for treatment there is a single operator Otbasny Bank Housing Construction Savings Bank JSC.

The UAPF recommends not to contact third parties for the use of pension savings, not to follow suspicious links to unfamiliar sites and asks to check the information only on the official website enpf.kz or the official pages of the UAPF in social networks.

We emphasize that all UAPF services (including the provision of individual pension statements, opening accounts, an application for the transfer of pension savings to management companies, changing details, etc.) are provided free of charge!
