### UAPF presents a detailed report on the investment of pension savings

#### *Investment portfolios of pension assets as of June 1, 2023*

The website [enpf.kz](http://enpf.kz) provides a report on the management of pension assets of the NBRK and IPM as of June 1, 2023. A detailed report on the investment of pension savings is posted on the website [enpf.kz](http://enpf.kz) in the section "Indicators - Investment activity", which monthly provides information on the management of pension assets by the National Bank of the Republic of Kazakhstan (NBRK) and investment portfolio managers (IPM). The total amount of pension assets as of June 1, 2023 amounted to about **KZT15,846.7 bln**. At the same time, UAPF pension assets [held in trust by the National Bank of the Republic of Kazakhstan](#) amounted to **KZT15,833.03 bln**. [Pension assets managed by IPM](#) amounted to **KZT9.08 bln**.

#### **Investment portfolio of pension assets managed by the NBRK**

The main areas for investing pension assets of the NBRK as of June 1, 2023 are as follows: government securities of the Ministry of Finance of the Republic of Kazakhstan - 46.96%, bonds of quasi-public companies - 10.72%, bonds and deposits of second-tier banks of the Republic of Kazakhstan - 5.68%, State securities of foreign states - 4.70%, securities of international financial organizations - 2.38%, corporate bonds of Kazakhstani issuers - 0.10%.

As of June 1, 2023, the investment portfolio in terms of currencies in which financial instruments purchased using pension assets are denominated looks as follows: investments in the national currency - 70.95%, in US dollars - 29.01%, in other currency - 0.05% of the portfolio of pension assets. It follows from the analysis of the income structure that income in the form of interest on securities, including on placed deposits and reverse REPO operations and from market revaluation of securities, amounted to KZT564.07 bln, on assets under external management - KZT28.53 bln, other income - KZT2.09 bln. At the same time, the revaluation of foreign currency brought a loss in the amount of KZT86.2 bln.

Thus, due to the diversification of the investment portfolio of pension assets across instruments, industries and currencies, the total income for May 2023 is positive.

As a result of investment activities, as well as due to the volatility of foreign exchange rates and changes in the market value of financial instruments, the amount of accrued investment income since the beginning of 2023 amounted to KZT508.06 bln.

The return on UAPF pension assets distributed to the accounts of contributors (beneficiaries) from the beginning of 2023 amounted to 3.13% with inflation of 4.80%.

At the same time, as of June 1, 2023, the return on pension assets for the last 12 months (from June 2022 to May 2023) for UAPF contributors (beneficiaries) amounted to 11.39%.

Recall that in the medium and long term, a positive real (exceeding accumulated inflation) return on pension savings is ensured.

[A detailed structure](#) of the investment portfolio of financial instruments managed by the NBRK, indicating issuers and an overview of investment activities, are posted on the official website of the UAPF. Recall that in Kazakhstan there is a model of the state guarantee of the safety of pension savings. In accordance with

Article 5 of the Law of the Republic of Kazakhstan *On Pension Provision in the Republic of Kazakhstan*, the state guarantees beneficiaries the safety of compulsory pension contributions and compulsory occupational pension contributions to the UAPF in the amount of contributions actually made, taking into account the inflation rate at the time of obtaining the right to pension benefits.
